Muhammad Usman Khan

UI DESIGNER

I'm Muhammad Usman, a passionate learner and a student pursuing BCS from Sir Syed University. Currently, I'm on an exciting journey, honing my skills in the MERN stack through a course at Saylani Welfare International Trust. As a dedicated learner, I've successfully completed modules on Firebase, HTML, CSS, MongoDB, and Express, NodeJS bringing me one step closer to becoming a proficient full-stack developer. In my recent endeavors, I've been hard at work on the backend, shaping it into its final form.
